## Energy reform in Mexico

**Jurisdiction:** Mexico

**Authors:** Juan Carlos Machorro, Jorge Barrero and Aarón Levet

**Law firm:** [Santamarina y Steta](#)

**Subject:** These contributions provide valuable information and insights on the energy reform recently adopted in Mexico which aims at modernizing the sector without privatizing the state owned company responsible for the development of the electricity and oil and gas sector.

The reform attempts generally to promote the development of the energy industry and increase oil and gas profits in order to in turn promote economic growth, create jobs, strengthen Mexican companies and ensure Mexicans have access to cheaper electricity and energy, among other aspects.
