Release of the 2019-2020 Report on Global Trade Policy

We are pleased to announce the release of a report entitled “**2019-2020 Report on Global Trade Policy**”, authored by the members of the *International Trade Law Group* of the [World Law Group](#), a global network of leading independent law firms of which our firm is a member.

This Report provides an overview on top trade policy priorities and challenges in several WLG member jurisdictions, outlining the overall approach country-by-country on international trade and specifying concrete policy measures applied such as new tariffs, sanctions and FDI control. Finally, the WLG trade experts describe how the nature of their practice has evolved over the last two years and what further challenges they foresee down the road.

[Jean-Luc Soulier](#) has co-authored the “France” chapter of this Report.
