## WLG impact: A CSR initiative at the global level

The [World Law Group](#) (WLG), a network of 61 leading independent law firms with more than 400 offices in major commercial centers worldwide, to which our Firm belongs, has launched its first network-wide Corporate Social Responsibility initiative called [WLG !\[\]\(e3f8612927870f2e0f9f5989e6dd3064\_img.jpg\) impact](#).

In this context, all WLG member firms are invited to complete a CSR project.

We have decided to work with a local association called [Nettoyons Lyon](#) (literally *Let's clean up Lyon*) whose purpose is to organize actions to collect, retrieve, recover and recycle abandoned waste in public or natural spaces, as well as communication and awareness actions on eco-citizen behaviors.

Members of our team will take part in a river cleaning session to clean up a zone of the Rhône or Saône rivers, i.e., the two rivers that flow through the city of Lyon.

The objective is to remove large underwater waste and polluting objects, such as motorized vehicles, electric scooters, bikes and so on, using big neodymium magnets and grapples!
